**AMENDMENT AFTER FINAL**

Sir:

**REMARKS**

In the Advisory Action dated July 22, 2004, the Office indicated that the Applicant's response dated June 21, 2004 will be entered for purposes of Appeal. The Office, however, maintained the Office's rejection of Applicant's claims 1-6 and 9-18. Applicant's claims 7-8 were previously allowed.

In response to the Office's above Advisory Action and in order to place the application in a condition for allowance, the Applicant hereby cancels claims 1-6 and 9-18. Please note that claims 19-26 has also been added to the application. Support for the addition of claims

19-26 can be found for example in canceled claims 2-4 and in Figures 1- 3 of the Applicant's disclosure. Newly added claims 19-22 each depends directly on independent claim 7 and newly added claims 23-26 each depends directly on independent claim 8. Since the Office has allowed independent claims 7 and 8, it is respectfully submitted that 19-26 are also allowable.

In view of the above it is respectfully submitted that the application containing claims 7, 8, and 19-26 is in condition for allowance. Applicant has enclosed a marked-up version of the amendment with this response.

Please note that a reply for the above-identified application was due on July 29, 2004. In response to the aforementioned, the Applicant has also enclosed a petition for a one month extension of time under 37 CFR 1.136(a) and a credit card authorization form (Form PTO-2038) in the amount of \$110.00 for payment of the one month time extension. Please charge any other fees to Applicant's deposit account No. 10-0210.
